Code of Conduct

As representatives of Christ and of The United Methodist Church, we, the participants of CCYM events, take seriously our responsibility to care for one another. This code represents affirmation of our concern for the well being of the total community. We covenant with each other to insure the safety of all, to make our time together most meaningful, and to care for the facility which we share.

- 1) Anything considered illegal under civil and criminal law in Arkansas is illegal for participants of any CCYM event. This includes drug possession and use, alcohol consumption and possession by a minor and alcohol consumption on state property, possession of firearms, weapons or fireworks, etc. Tobacco use is disallowed as well.
- 2) Dress should be appropriate for a co-ed Christian environment.

- 3) All participants are expected to participate in the event in full and be at designated places at all times.
- 4) Visitation between males and females will be in designated areas.
- 5) We will respect the person, equipment and property of others as well as the public and private properties (living areas, meeting rooms, etc) in use during the event.
- 6) Any accidental damage to the property will be billed to the local church and will be the responsibility of the persons who caused the damage. Intentional damage is subject to additional penalties.
- 7) Cell phones, Radios, CD players, Mp3 players, etc. may be used during free time at levels that do not disturb others and cannot be heard outside the room in which it is being played.

I understand that violations of this covenant and/or other inappropriate behavior could require disciplinary action for youth and adults. Decisions about appropriate disciplinary action will be made by adult group leaders and CCYM. CCYM reserves the right to call parents or to dismiss any person who breaks this code of conduct and send them home at their own expense.
